

The Home Buying Checklist identifies some of the most important buying factors buyers need to consider when **buying a home**. In addition to an affordable home buying price, you'll also want to be sure that the neighborhood and home meet the needs of your family.

Take this "**Home Buying**" checklist along whenever you go shopping to buy a home. It will help you evaluate the neighborhoods and assess the availability and condition of various features of up to three homes in a side-by-side home comparison.
